Dear Jonathan:

This letter is to serve as my formal notice that I will be resigning from my position with the West Hartford Substance Abuse Prevention Commission, effective July 1, 2018. Unfortunately my schedule has precluded my ability to regularly attend the commission meetings, and I will also be returning to school in July and this will make it even more difficult.

I have enjoyed my time as a member of the commission, particularly serving as co-chair, and would welcome the opportunity to return to the commission in the future as my schedule evolves.

Yours truly,

David Eppner, MA LADC
